It is safe for me to feel

INVOCATION

Beloved Hathor,

Goddess of Love, Please grant us with
your boons of your divine feminine
sensuality and fierce Grace

Alchemical Medicine Woman, Please guide
us through any dark emotions, that I may
embody ecstasy, wisdom and the alchemy
of pure LOVE.

Wash over me with your divine feminine
grace that we may feel deep peace.

Show me the way to move through the
darkness to come into peace again with my
past.

Support me that I may liberate my sexual
energy and ecstatically embody our full
creative soul potential here and now.

Thank you, Thank you, Thank you
And so it is.
